By keeping the local community at the heart of our business, we believe we can deliver your business to the hearts of our local communities.

THE CONNECTION

magazine

The Connection is a highly readable and retainable magazine offering regular competitions, community news, local information and engaging articles. By keeping the local community at the heart of our business, we believe we can deliver your business to the hearts of our local communities.

Who?

The Connection Magazine is an independent, locally run publication, delivered free to 7,700 homes and businesses in Alcester, Bidford and surrounding villages, with the highest door-to-door magazine circulation in the area.

Why?

We are passionate about supporting local businesses and communities. Our aim is to build positive relationships with all of our customers, understand your business requirements and help you to reach your target audience.

When?

Typically delivered on the last full weekend of each month (excluding August*). Copy deadline is 10th of each month for print in the following month's magazine.

** July and August is a joint edition, distributed on the last full weekend of June.*

How?

We offer a number of advertising options within the magazine as well as a leaflet distribution service for pre-printed/folded leaflets. We can also help you with your leaflet design and printing requirements.
